

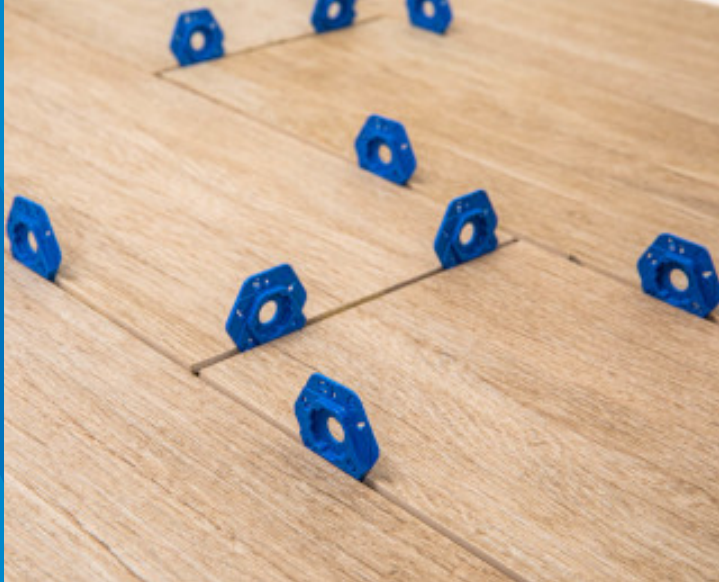

MAPEI TILE SPACER 7-IN-1

7 spacers in one single element for ceramic and stone floor and wall tiles

WHERE TO USE

Mapei Tile Spacer 7-in-1 is a spacer to be used when installing ceramic and stone tiles of various sizes, thicknesses and formats on floors and walls.

They are designed to help users position tiles and to form perfectly straight, uniform grout lines with just one single multi-purpose and multi-functional element, thereby helping to obtain perfectly even tiling.

It has been designed in such a way that it can be easily removed and then reused numerous times.

Mapei Tile Spacer 7-in-1 is a single accessory with 7 different thicknesses to suit all types of ceramic or stone tiles and any pattern or layout.

It may be used in combination with Mapei levelling systems from the **MapeLevel** line to help install perfectly flat, even tiling easily and accurately on floors and walls.

TECHNICAL CHARACTERISTICS

Mapei Tile Spacer 7-in-1 is a single spacer with 7 different thicknesses (0.5 - 1 - 1.5 - 2 - 3 - 4 - 5 mm).

It enables tiles to be spaced from 0.5 to 5 mm with just one single accessory. By placing the spacer in the position required it is possible to form grout lines 0.5 - 1 - 1.5 - 2 - 3 - 4 - 5 mm wide.

ADVANTAGES

Mapei Tile Spacer 7-in-1 is designed to suit any tiling layout or pattern and any tile format.

With **Mapei Tile Spacer 7-in-1** there are 7 spacers available with just one single accessory with 7 different thicknesses; they are also multi-purpose and multi-functional and completely reusable.

To promote eco-sustainability and help safeguard the environment, **Mapei Tile Spacer 7-in-1** spacers are made from 100% recyclable plastic.

APPLICATION PROCEDURE

Position the **Mapei Tile Spacer 7-in-1** spacers at each corner of the tiles, with at least two spacers per side, according to the chosen tiling pattern and specific operational needs.

Place the side of the spacer with the thickness required (refer to the number on the spacer) between the floor or wall tiles to form grout lines 0.5 - 1 - 1.5 - 2 - 3 - 4 - 5 mm wide.

PACKAGING

Box containing 12 bags of 200 pieces each.

SAFETY INSTRUCTIONS FOR PREPARATION AND APPLICATION

Mapei Tile Spacer 7-in-1 is an article and referring to the current European regulations (Reg. 1906/2007/CE - REACH) does not require the preparation of the Safety Data Sheet. During use, it is recommended to wear gloves and goggles and follow the safety requirements of the workplace.

PRODUCT FOR PROFESSIONAL USE.

WARNING

Although the technical details and recommendations contained in this product data sheet correspond to the best of our knowledge and experience, all the above information must, in every case, be taken as merely indicative and subject to confirmation after long-term practical application; for this reason, anyone who intends to use the product must ensure beforehand that it is suitable for the envisaged application. In every case, the user alone is fully responsible for any consequences deriving from the use of the product.
